Big Year for “Abbigirl”

It's been a very exciting year for Abby
Elisabeth Bachrach-Cox who has had visits
from:

- her Grandma Beryl (from New York City);
- her mummy's cousin Patrick (from
Vermont, pictured right). “Hey, I'm in
Thailand, can I stop by for a week?” and
- her daddy's sister Sarah with husband Tim
and children Chloe, Jack and Joe (from
Halesowen England, pictured above).

Abby's also been on trips to Esperance,
Denmark, Albany and Margaret River since
her visit last year to her UK and New York
City and LA families.

Abby is also known as “Princess Timely” in
reference to her birth the morning of 23 May
only eight hours after her due date,
22 May 2001. Her Hebrew name is Avigail.
